~~PROPOSED~~ ORDER GRANTING FINAL  
APPROVAL OF CLASS ACTION  
SETTLEMENT WITH MAXELL  
DEFENDANTS

Date: August 29, 2017

Time: 2:00 p.m.

Judge: Hon. Yvonne Gonzalez Rogers

Location: Courtroom 1, 4th Floor

On July 24, 2017, Direct Purchaser Plaintiffs (“Plaintiffs”) filed a Memorandum in Support of Final Approval of Class Action Settlements, including with Defendants Hitachi Maxell, Ltd., and Maxell Corporation of America (collectively “Maxell”). The Court, having reviewed the motion, the settlement agreement, the pleadings and other papers on file in this action, and the statements of counsel and the parties, hereby finds that the motion should be GRANTED.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Court has jurisdiction over the subject matter of this litigation, and the Actions within this litigation and over the parties to the settlement agreement, attached hereto as Exhibit 1, including all members of the settlement class and the Defendants.

2. For purposes of this Order, except as otherwise set forth herein, the Court adopts and incorporates the definitions contained in the settlement agreement, to the extent not contradictory or mutually exclusive.

3. The Court finds that Saveri & Saveri, Inc., Pearson, Simon & Warshaw, LLP, and Berman Tabacco, previously appointed as Class Counsel pursuant to Rule 23(g) of the Federal Rules of Civil Procedure, has and will fairly and competently represent the interests of the settlement class.

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court certifies the following settlement class only with respect to Maxell:

All persons and entities that purchased a Lithium Ion Battery or Lithium Ion Battery Product from any Defendant, or any division, subsidiary or affiliate thereof, or any co-conspirator in the United States during the Class Period, from January 1, 2000 through May 31, 2011. Excluded from the Class are Defendants, their parent companies, subsidiaries and affiliates, any Co-Conspirators, federal governmental entities and instrumentalities of the federal government, states and their subdivisions, agencies and instrumentalities, and any judge or jurors assigned to this case.

5. The Court further finds that the prerequisites to certifying a settlement class under Rule 23 are satisfied for settlement purposes in that: (a) there are thousands of geographically dispersed settlement class members, making joinder of all members impracticable; (b) there are questions of law and fact common to the settlement class which predominate over individual issues; (c) the claims or defenses of the settlement class plaintiffs are typical of the claims or

1 defenses of the settlement class; (d) the plaintiffs will fairly and adequately protect the interests of  
2 the settlement class, and have retained counsel experienced in antitrust class action litigation who  
3 have, and will continue to, adequately represent the settlement class; and (e) a settlement class  
4 resolution is superior to individual settlements.

5 6. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, after a hearing, the  
6 Court hereby finally approves and confirms the settlement set forth in the settlement agreement and  
7 finds that said settlement is, in all respects, fair, reasonable and adequate to the settlement class.

8 7. This Court hereby dismisses on the merits and with prejudice the Action in favor of  
9 the Maxell Defendants, with each party to bear their own costs and attorneys' fees, except as  
10 provided in the settlement agreement.

11 8. The Maxell Releasees are hereby and forever released from all Released Claims as  
12 defined in the settlement agreement.

13 9. The notice given to the settlement class, including individual notice to all members  
14 of the settlement class who could be identified through reasonable efforts, was the best notice  
15 practicable under the circumstances. Said notice provided due and adequate notice of those  
16 proceedings and of the matters set forth therein, including the proposed settlement set forth in the  
17 settlement agreement, to all persons entitled to such notice, and said notice fully satisfied the  
18 requirements of Rule 23, Subdivisions (c)(2) and (e)(1) of the Federal Rules of Civil Procedure  
19 and the requirements of due process.

20 10. Those persons/entities identified in the list attached hereto as Exhibit 2 are validly  
21 excluded from the settlement class. Such persons/entities are not entitled to any recovery of the  
22 settlement proceeds obtained in connection with the settlement.

23 11. Any member of the settlement class who failed to timely and validly request to be  
24 excluded from the settlement class shall be subject to and bound by the provisions of the  
25 settlement agreement, the Released Claims contained therein, and this Judgment with respect to all  
26 Released Claims, regardless of whether such members of the settlement class seek or obtain any  
27 distribution from the Settlement Fund.

28 12. The plan of allocation set forth in the class notice is, in all respects, fair, adequate,

1 and reasonable. Accordingly, the Court hereby grants final approval of the plan of allocation.

2 13. Without affecting the finality of the Judgment in any way, this Court hereby retains  
3 continuing jurisdiction over: (a) implementation of the settlement agreement and any distribution  
4 to settlement class members pursuant to further orders of this Court; (b) disposition of the  
5 Settlement Fund; (c) hearing and determining applications by plaintiffs for attorneys' fees, costs,  
6 expenses, and interest; (d) the Actions until the Final Judgment has become effective and each and  
7 every act agreed to be performed by the parties all have been performed pursuant to the settlement  
8 agreement; (e) hearing and ruling on any matters relating to the plan of allocation of settlement  
9 proceeds; and (f) the parties to the settlement agreement for the purpose of enforcing and  
10 administering the settlement agreement and the mutual releases contemplated by, or executed in  
11 connection with the settlement agreement.

12 14. In the event that the settlement does not become effective in accordance with the  
13 terms of the settlement agreement, then the Judgment shall be rendered null and void and shall be  
14 vacated, and in such event, all orders entered and releases delivered in connection herewith shall  
15 be null and void and the parties shall be returned to their respective positions *ex ante*.

16 15. The Court finds, pursuant to Rule 54(b) of the Federal Rules of Civil Procedure,  
17 that Judgment should be entered and further finds that there is no just reason for delay in the entry  
18 of Judgment as to the parties to the settlement agreement. Accordingly, the Clerk is hereby  
19 directed to enter Judgment forthwith for the Maxell Defendants.

20 IT IS SO ORDERED.

PLAINTIFF ACTIONS

Case No. 13-MD-2420-YGR

MDL No. 2420

**SETTLEMENT AGREEMENT**

**SETTLEMENT AGREEMENT**

This Settlement Agreement (“Agreement”) is made and entered into this 30th day of September, 2016 by and between Hitachi Maxell, Ltd., and Maxell Corporation of America (collectively “Maxell”), and the direct-purchaser plaintiff class representatives (“Plaintiffs”), both individually and on behalf of the direct purchaser class in the above-captioned class actions (“the Class”) as more particularly defined in Paragraph 1 below.

WHEREAS, Plaintiffs are prosecuting the above *In Re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-2420-YGR (N.D. Cal.) (the “Action”) on their own behalf and on behalf of the Class against, among others, Maxell;

WHEREAS, Plaintiffs allege that Maxell participated in an unlawful conspiracy to raise, fix, maintain, or stabilize the price of Lithium Ion Battery Cells at artificially high levels in violation of Section 1 of the Sherman Act;

WHEREAS, Maxell denies Plaintiffs’ allegations and has asserted defenses to Plaintiffs’ claims;

WHEREAS, Plaintiffs have conducted an investigation into the facts and the law

regarding the Action and have concluded that resolving claims against Maxell according to the terms set forth below is in the best interest of Plaintiffs and the Class;

WHEREAS, Maxell, despite its belief that it is not liable for the claims asserted and has good defenses thereto, has nevertheless agreed to enter into this Agreement to avoid further expense, inconvenience, and the distraction of burdensome and protracted litigation, and to obtain the releases, orders, and judgment contemplated by this Agreement, and to put to rest with finality all claims that have been or could have been asserted against Maxell based on the allegations of the Action, as more particularly set out below;

WHEREAS, arms' length settlement negotiations have taken place among Maxell and Interim Co-Lead Counsel, as defined below, including negotiations conducted pursuant to mediation before Judge Vaughn R. B. Approval of this Agreement and Dismissal of Claims Against Maxell.

8. Plaintiffs and Maxell shall use their best efforts to effectuate this Agreement, including cooperating in seeking the Court's approval for the establishment of procedures (including the giving of class notice under Federal Rules of Civil Procedure 23(c) and (e)) to secure the prompt, complete, and final dismissal with prejudice of the Action as to Maxell only.

9. At a time mutually agreed upon by the parties, Plaintiffs shall submit to the Court a motion for authorization to disseminate notice of the settlement and final judgment contemplated by this Agreement to all Class members identified by Plaintiffs and Maxell (the "Motion"). If notice to the Class is given jointly with any other settling defendant, for purposes of Paragraph 19 below, the costs of notice and claims administration shall be prorated with any other such defendant based on their respective settlement amounts. The Motion shall include: (i)

a proposed form of, method for, and date of dissemination of notice; and (ii) a proposed form of order and final judgment. The text of the foregoing items (i) and (ii) shall be agreed upon by Plaintiffs and Maxell before submission of the Motion, with the understanding that, among other things, individual notice of the settlement shall be mailed by regular mail or email, with appropriate notice by publication (in the event required by the Court), with all expenses paid from the Settlement Fund subject to Paragraph 19(a). To the extent not already provided, Maxell will supply to Interim Co-Lead Counsel the names and addresses of putative Class members to the extent reasonably available in Maxell's records. Maxell, however, shall not be required to bear any undue burden or expense in providing such list. The Motion shall recite and ask the Court to find that the mailing of the notice of settlement to all members of the Class who can be identified upon reasonable effort constitutes valid, due, and sufficient notice to the Class, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rule of Civil Procedure 23.

10. Plaintiffs shall seek, and Maxell will not object unreasonably to the entry of, an order and final judgment, the text of which Plaintiffs and Maxell shall agree upon. The terms of that order and final judgment will include, at a minimum, the substance of the following provisions:

(a) certifying the Class described in Paragraph 1, pursuant to Rule 23 of the Federal Rules of Civil Procedure, solely for purposes of this settlement as a settlement class;

(b) as to the Action, approving finally this settlement and its terms as being a fair, reasonable and adequate settlement as to the Class Members within the meaning of Rule 23 of the Federal Rules of Civil Procedure and directing its consummation

according to its terms;

(c) as to Maxell, directing that the Action be dismissed with prejudice and, except as provided for in this Agreement, without costs;

(d) reserving exclusive jurisdiction over the settlement and this Agreement, including the administration and consummation of this settlement, to the United States District Court for the Northern District of California; and

(e) determining under Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and directing that the judgment of dismissal with prejudice as to Maxell shall be final.

11. This Agreement shall become final when: (i) the Court has entered a final order certifying the Class described in Paragraph 1 and approving this Agreement under Federal Rule of Civil Procedure 23(e) and a final judgment dismissing the Action with prejudice as to Maxell against all Class Members and without costs other than those provided for in this Agreement; and (ii) the time for appeal or to seek permission to appeal from the Court's approval of this Agreement and entry of a final judgment as to Maxell described in (i) hereof has expired or, if appealed, approval of this Agreement and the final judgment as to Maxell have been affirmed in their entirety by the Court of last resort to which such appeal has been taken and such affirmance has become no longer subject to further appeal or review. It is agreed that the provisions of Rule 60 of the Federal Rules of Civil Procedure shall not be taken into account in determining the above-stated times. On the date that Plaintiffs and Maxell have executed this Agreement, Plaintiffs and Maxell shall be bound by its terms and this Agreement shall not be rescinded except in accordance with Paragraphs 17(h), 18(a), or 28 of this Agreement.

12. Neither this Agreement (whether or not it should become final) nor the final

judgment, nor any and all negotiations, documents, and discussions associated with them, shall be deemed or construed to be an admission by Maxell or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Maxell, or of the truth of any of the claims or allegations contained in any complaint or any other pleading filed in the Action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding. Neither this Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any other action taken to carry out this Agreement by any of the settling parties shall be referred to, offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceedings, except in a proceeding to enforce this Agreement, or to defend against the assertion of Released Claims, or as otherwise required by law.

C. Release, Discharge, and Covenant Not to Sue.

13. In addition to the effect of any final judgment entered in accordance with this Agreement, upon this Agreement becoming final as set out in Paragraph 11 of this Agreement, and in consideration of payment of the Settlement Amount, as specified in Paragraph 16 of this Agreement, into the Settlement Fund, and for other valuable consideration, the Releasees shall be completely released, acquitted, and forever discharged from any and all claims, demands, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Class Member has objected to the settlement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively or in any other capacity) that Releasors, or each of them, ever had, now has, or hereafter can, shall, or may have on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated, claims, causes of

action, injuries, damages, and the consequences thereof in any way arising out of or relating in any way to any act or omission of the Releasees (or any of them) that is alleged in the Complaint up to the date of the execution of this Agreement or that could have been alleged in the Complaint or in any other complaint filed in the Action (the “Released Claims”). The Released Claims do not include claims for product defect or personal injury or breach of contract arising in the ordinary course of business or indirect purchaser claims for Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that were not purchased directly from Defendants or their subsidiaries, affiliates, or alleged co-conspirators. Releasors shall not, after the date of this Agreement, sue or otherwise seek to establish liability against any Releasee based, in whole or in part, upon any of the Released Claims or conduct at issue in the Released Claims. For purposes of clarity, the Released Claims include any claims under foreign antitrust or competition laws or state antitrust or competition laws (including indirect purchaser claims) that relate to or arise out of the subject of the Plaintiffs’ Complaint, but do not include any foreign antitrust or competition law claims or any state law indirect purchaser claims that relate to or arise out of the sale of Li-Ion Cells Li-Ion Batteries or Li-Ion Products that: (a) were not purchased from a Defendant or alleged co-conspirator in the Action; or (b) were not sold in the United States.

14. In addition to the provisions of Paragraph 13 of this Agreement, Releasors hereby expressly waive and release, upon this Agreement becoming final, any and all provisions, rights, and benefits conferred by § 1542 of the California Civil Code, which states:

CERTAIN CLAIMS NOT AFFECTED BY GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR;

or by any law of any state or territory of the United States, or principle of common law, which is

similar, comparable, or equivalent to § 1542 of the California Civil Code. Each Releasor may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the Released Claims which are the subject matter of the provisions of Paragraph 13 of this Agreement, but each Releasor hereby expressly waives and fully, finally, and forever settles and releases, upon this Agreement becoming final, any known or unknown, suspected or unsuspected, contingent or non-contingent claim with respect to the subject matter of the provisions of Paragraph 13 of this Agreement, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

15. The release, discharge, and covenant not to sue set forth in Paragraph 13 of this Agreement does not include claims by any of the Class Members other than the Released Claims and does not preclude Class Members from pursuing claims based on indirect sales or foreign sales of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products so long as such claims are not based on the same purchases included as part of the Released Claims defined in Paragraph 13. The Releasors hereby covenant and agree that they shall not, hereafter, sue or otherwise seek to establish liability against any of the Releasees based, in whole or in part, upon any of the Released Claims.

D. Settlement Amount.

16. Subject to the provisions hereof, and in full, complete and final settlement of the Action as provided herein, defendant Maxell shall pay the Settlement Amount of \$3,450,000 (the "Settlement Amount"). The Settlement Amount shall be paid into an escrow account in United States Dollars to be administered in accordance with the provisions of Paragraph 17 of this Agreement (the "Escrow Account") within twenty-one (21) days after preliminary approval of this Agreement.

17. Escrow Account.

(a) The Escrow Account will be established at Citibank N.A.— Citi Private Bank, San Francisco, California, with such Bank serving as escrow agent (“Escrow Agent”) subject to escrow instructions mutually acceptable to Interim Co-Lead Counsel and Maxell , such escrow to be administered under the Court’s continuing supervision and control.

(b) The Escrow Agent shall cause the funds deposited in the Escrow Account to be invested in short-term instruments backed by the full faith and credit of the United States Government or fully insured in writing by the United States Government, or money market funds rated Aaa and AAA, respectively by Moody’s Investor Services and Standard and Poor’s, invested substantially in such instruments, and shall reinvest any income from these instruments and the proceeds of these instruments as they mature in similar instruments at their then current market rates.

(c) All funds held in the Escrow Account shall be deemed and considered to be in custodia legis of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to this Agreement and/or further order(s) of the Court.

(d) Plaintiffs and Maxell agree to treat the Settlement Fund as being at all times a qualified settlement fund within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 17, including the relation-back election (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such

regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

(e) For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the administrator shall be the Escrow Agent. The Escrow Agent or its designee shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k)(l)). Such returns (as well as the election described in Paragraph 17(d)) shall be consistent with Paragraph 17(d) and in all events shall reflect that all Taxes, as defined below (including any estimated Taxes, interest or penalties), on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 17(f) hereof.

(f) All: (i) taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned by the Settlement Fund, including any taxes or tax detriments that may be imposed upon Maxell or any other Releasee with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a qualified settlement fund for federal or state income tax purposes (“Taxes”); and (ii) expenses and costs incurred in connection with the operation and implementation of Paragraphs 17(d) through 17(f) (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 17(f) (“Tax Expenses”)), shall be paid out of the Settlement Fund.

(g) Neither Maxell nor any other Releasee nor their respective counsel shall have any liability or responsibility for the Taxes or the Tax Expenses. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any claimants authorized by the Court any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)). Neither Maxell nor any other Releasee is responsible nor shall they have any liability therefor. Plaintiffs and Maxell agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of Paragraphs 17(d) through 17(f).

(h) If this Agreement does not receive final Court approval, including final approval of “the Class” as defined in Plaintiffs’ Complaint or, if that complaint is amended, the operative complaint at the time this Agreement is signed, or if the Action is not certified as a class action for settlement purposes, then all amounts paid by Maxell into the Settlement Fund (other than costs expended in accordance with Paragraph 19(a)) shall within thirty (30) calendar days be returned to Maxell from the Escrow Account by the Escrow Agent along with any interest accrued thereon.

18. Exclusions.

(a) Within ten (10) business days after the end of the period to request exclusion from the Class, Interim Co-Lead Counsel will cause copies of timely requests for exclusion from the

Class to be provided to counsel for Maxell. To the extent that Maxell determines in good faith that its sales of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products during the Class Period to the potential members of the Class (or any of them) who have requested exclusion from the Class represent an amount of sales equal to or greater than 35% of Maxell's sales of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products in the United States during the Class Period, Maxell may terminate the Agreement within fifteen (15) days of receipt of the list of exclusions.

(b) If Maxell terminates this Agreement pursuant to Paragraph 18(a), then all amounts paid by Maxell into the Settlement Fund (other than notice costs expended in accordance with Paragraph 19(a)) shall be returned to Maxell from the Escrow Account by the Escrow Agent along with any interest accrued thereon within thirty (30) calendar days from the date of termination of this Agreement.

(c) With respect to any potential Class member who requests exclusion from the Class, Maxell reserves all of its legal rights and defenses, including, but not limited to, any defenses relating to whether the excluded Class member is a direct purchaser of any allegedly price fixed product and/or has standing to bring any claim.

19. Payment of Expenses.

(a) Maxell agrees to permit use of a maximum of \$500,000 of the Settlement Fund towards notice to the class and the costs of administration of the Settlement Fund set forth in Paragraph 17. The \$500,000 in notice and administration expenses are not recoverable if this settlement does not become final to the extent such funds are expended for notice and administration costs. Other than as set forth in this Paragraph 19(a), and subject to the joint notice provisions of Paragraph 9 if applicable, Maxell shall not be liable for any of the costs or expenses of the litigation of the Action, including attorneys'

fees; fees and expenses of expert witnesses and consultants; and costs and expenses associated with discovery, motion practice, hearings before the Court or any Special Master, appeals, trials or the negotiation of other settlements, or for Class administration and costs.

(b) If Interim Co-Lead Counsel enters into any other settlements on behalf of the Class before notice of this Agreement is given to the Class, Interim Co-Lead Counsel shall use its reasonable best efforts to provide a single notice to prospective Class members of all of the settlements.

E. The Settlement Fund.

20. Releasors shall look solely to the Settlement Fund for settlement and satisfaction against the Releasees of all Released Claims, and shall have no other recovery against Maxell or any other Releasee.

21. After this Agreement becomes final within the meaning of Paragraph 11, the Settlement Fund shall be distributed in accordance with a plan to be submitted at the appropriate time by Plaintiffs, subject to approval by the Court. In no event shall any Releasee have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, or administration of the Settlement Fund, including, but not limited to, the costs and expenses of such distribution and administration, with the sole exception of the provisions set forth in Paragraph 19(a) of this Agreement.

22. Plaintiffs and Class Counsel shall be reimbursed and indemnified solely out of the Settlement Fund for all expenses. Maxell shall not be liable for any costs, fees, or expenses of any of Plaintiffs' or the Class' respective attorneys, experts, advisors, agents, or representatives, but all such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement

Fund.

23. Class Counsel's Attorneys' Fees And Reimbursement of Expenses.

(a) Class Counsel may submit an application or applications to the Court (the "Fee and Expense Application") for distribution to them from the Settlement Fund and Maxell shall not oppose such application for: (i) an award of attorneys' fees not in excess of one-third of the settlement fund; plus (ii) reimbursement of expenses and costs incurred in connection with prosecuting the Action, plus interest on such attorneys' fees, costs, and expenses at the same rate and for the same period as earned by the Settlement Fund (until paid) as may be awarded by the Court (the "Fee and Expense Award"). Class Counsel reserve the right to make additional applications for fees and expenses incurred, but in no event shall Releasees be responsible to pay any such additional fees and expenses except to the extent they are paid out of the Settlement Fund.

(b) The Fee and Expense Award, as approved by the Court, shall be paid solely from the Settlement Fund.

(c) The procedure for and the allowance or disallowance by the Court of the application by Class Counsel for attorneys' fees, costs, and expenses to be paid out of the Settlement Fund are not part of this Agreement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement, and any order or proceeding relating to the Fee and Expense Application, or any appeal from any such order shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the judgment approving the settlement.

(d) Neither Maxell nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to any payment

to Class Counsel of any Fee and/or Expense Award in the Action.

(e) Neither Maxell nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to the allocation among Class Counsel, and/or any other person who may assert some claim thereto, of any Fee and/or Expense Award that the Court may make in the Action.

F. Cooperation.

24. Maxell shall reasonably cooperate with Interim Co-Lead Counsel as set forth specifically below:

(a) Maxell shall produce all English translations of any documents that it provided to the United States Department of Justice in connection with its investigation of potential collusion concerning Lithium Ion Batteries, to the extent they exist, or certify its previous production of the same, within fifteen (15) business days after Preliminary Approval by the Court of this Agreement.

(b) Maxell agrees that Class Counsel may ask questions at depositions of Maxell witnesses noticed by any other party in the Actions.

(c) All discovery produced by Maxell (including but not limited to declarations, documents, data or any other responses to discovery) to any other party in the Actions, shall be produced to Class Counsel.

(d) Upon request, Maxell shall provide one or more witnesses or declarants to authenticate and lay the foundation for admission into evidence of documents, data, and/or things produced in the Actions.

(e) Maxell will respond to reasonable requests (including, if necessary, by providing reasonable telephonic access to appropriate employees) for clarification of the

transactional, production, and cost data that Maxell produced in the Actions prior to the date of this Agreement.

(f) Maxell shall respond to all outstanding discovery that was served by Plaintiffs as of August 1, 2016.

(g) Upon request, Maxell shall provide up to three (3) of its employees identified by Plaintiffs for deposition, via videoconference or at a mutually agreed upon location or locations. Two of these employees have already been identified and scheduled for deposition as of the date of this Agreement. As for these two employees, Maxell shall timely inform Interim Co-Lead Counsel by e-mail if they become aware that these two employees intend to leave, or do leave, their employment with Maxell. Except as specifically provided for herein, any such depositions shall be conducted in accordance with the procedures set forth in the Deposition Protocol and shall count toward the maximum of twelve (12) depositions for Maxell as a defendant group as set forth in the Deposition Protocol. Plaintiffs agree that they will not notice the deposition of the President of Hitachi Maxell, Ltd. as of the date of this Agreement.

(h) Upon request, Maxell shall provide up to two (2) of its employees identified by Plaintiffs for testimony at trial, which shall be at the United States District Court for the Northern District of California.

(i) For the aforementioned employees to be provided for deposition and/or trial, Maxell will provide proffers, upon request, for each witness in advance of deposition and trial testimony.

(j) If any document protected by the attorney-client privilege, attorney work-product protection, joint defense or any other protection, privilege, or immunity is

accidentally or inadvertently produced under this Paragraph, the document shall promptly be destroyed and/or returned to Maxell, and its production shall in no way be construed to have waived any privilege or protection attached to such document

(k) Plaintiffs and Interim Co-Lead Counsel agree they will not use the information provided by Maxell or their representatives under this Paragraph for any purpose other than the pursuit of the Action, and will not publicize the information beyond what is reasonably necessary for the prosecution of the Action or as otherwise required by law. Any documents and other information provided will be deemed “Highly Confidential” and subject to the protective order entered in the Action as if they had been produced in response to discovery requests and so designated.

25. In the event that this Agreement fails to receive final approval by the Court as contemplated in Paragraphs 8-11 hereof, including final approval of “the Class” as defined in Plaintiffs’ Complaint or, if that complaint is amended, the operative complaint at the time this Agreement is signed, or in the event that it is terminated by either party under any provision herein, the parties agree that neither Plaintiffs nor Plaintiffs’ counsel shall be permitted to introduce into evidence, at any hearing, or in support of any motion, opposition or other pleading in the Action or in any other federal or state or foreign action alleging a violation of any law relating to the subject matter of this Action, any deposition testimony or any documents provided by the Releasees, their counsel, or any individual made available by the Releasees pursuant to the cooperation provisions of Paragraph 24.

26. Except as provided in Paragraph 24 of this Agreement, Maxell need not respond to formal discovery from Plaintiffs or otherwise participate in the Action during the pendency of this Agreement. Maxell agrees to withdraw all outstanding discovery served on Plaintiffs and

neither Maxell nor Plaintiffs shall file motions against the other during the pendency of the Agreement.

27. Maxell and Plaintiffs agree not to disclose publicly or to any other party the terms of this Agreement until this Agreement is submitted to the Court for approval.

G. Rescission if this Agreement is Not Approved or Final Judgment is Not Entered.

28. If the Court refuses to approve this Agreement or any part hereof, including if the Court does not certify a settlement class in accordance with the specific class definition set forth in Plaintiffs' Complaint, or if such approval is modified or set aside on appeal, or if the Court does not enter the final judgment provided for in Paragraph 10 of this Agreement, or if the Court enters the final judgment and appellate review is sought, and on such review, such final judgment is not affirmed in its entirety, then Maxell and the Plaintiffs shall each, in their sole discretion, have the option to rescind this Agreement in its entirety. Written notice of the exercise of any such right to rescind shall be made according to the terms of Paragraph 39. A modification or reversal on appeal of any amount of Class Counsel's fees and expenses awarded by the Court from the Settlement Fund shall not be deemed a modification of all or a part of the terms of this Agreement or such final judgment.

29. In the event that this Agreement does not become final or is rescinded or terminated in accordance with Paragraph 28, then this Agreement shall be of no force or effect and the entirety of the Settlement Fund deposited in the Escrow Account (including interest earned thereon) shall be returned forthwith to Maxell less only disbursements made in accordance with Paragraph 19(a) of this Agreement. Maxell expressly reserves all of its rights and defenses if this Agreement does not become final.

30. Further, and in any event, Plaintiffs and Maxell agree that this Agreement,

whether or not it shall become final, and any and all negotiations, documents, and discussions associated with it, shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Maxell or the Releasees, or of the truth of any of the claims or allegations contained in the complaint or any other pleading filed in the Action, or by any person or entity in any other action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding.

31. This Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Agreement, for a complete resolution of the relevant claims with respect to each Releasee as provided in this Agreement.

32. The parties to this Agreement contemplate and agree that, prior to final approval of the settlement as provided for in Paragraphs 8-11 hereof, appropriate notice of : (1) the settlement; and (2) a hearing at which the Court will consider the approval of this Settlement Agreement will be given to Class members.

H. Miscellaneous.

33. This Agreement does not settle or compromise any claim by Plaintiffs or any Class Member asserted in the Complaint or, if amended, any subsequent Complaint, against any defendant or alleged co-conspirator other than the Releasees. All rights against such other defendants or alleged co-conspirators are specifically reserved by Plaintiffs and the Class. Maxell's sales to the Class shall not be removed from the Action.

34. The United States District Court for the Northern District of California shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating

to this Agreement or the applicability of this Agreement that cannot be resolved by negotiation and agreement by Plaintiffs and Maxell. This Agreement shall be governed by and interpreted according to the substantive laws of the state of California without regard to its choice of law or conflict of laws principles.

35. This Agreement constitutes the entire, complete, and integrated agreement among Plaintiffs and Maxell pertaining to the settlement of the Action against Maxell, and supersedes all prior and contemporaneous undertakings of Plaintiffs and Maxell in connection herewith. This Agreement may not be modified or amended except in writing executed by Plaintiffs and Maxell, and approved by the Court.

36. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of Plaintiffs and Maxell. Without limiting the generality of the foregoing, each and every covenant and agreement made herein by Plaintiffs, Interim Co-Lead Counsel or Class Counsel shall be binding upon all Class Members and Releasors. The Releasees (other than Maxell, which is a party hereto) are third party beneficiaries of this Agreement and are authorized to enforce its terms applicable to them.

37. This Agreement may be executed in counterparts by Plaintiffs and Maxell, and a .pdf signature via email shall be deemed an original signature for purposes of executing this Agreement.

38. Neither Plaintiffs nor Maxell shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

39. Where this Agreement requires either party to provide notice or any other

communication or document to the other, such notice shall be in writing, and such notice, communication, or document shall be provided by email or letter by overnight delivery to the undersigned counsel of record for the party to whom notice is being provided.

40. Each of the undersigned attorneys represents that he or she is fully authorized to enter into the terms and conditions of, and to execute, this Agreement, subject to Court approval.
